

HOLTON PRIMARY SCHOOL

YSGOL GYNRADD HOLTON

Morning Changes!

There is going to be a change in the way children enter the school in the mornings: School doors will open at **8.45**.

All children can then go straight into school and into their classrooms where their teachers will be waiting.

Children can then socialise until school begins with the class register at **8.55**.

Reception can enter through the Reception outside door.

Y1 can enter through their outside area and Miss Stafford's room.

Y2 can enter through the Junior door by the tunnel.

KS2 children can enter through the red doors in the Junior Playground.

All children will leave school through the same doors so can be picked up in the same place that they are dropped off.

If you have a message that you would like to be passed to your child's teacher you can tell the adult at the door or Miss Dyke and Mrs Gall who will be on the playground.

As usual the gates will be locked at **9.00**. Any late children will have to enter through the school office
